San Francisco, CA, United States of America

To Whom It May Concern,

I would like to recommend Hanuth Saxena for your company/business. Hanuth provided professional services for four (4)+ years at AllTrails, LLC., from August 2020 to September 2024, as an independent contractor within the Data Integrity organization.

During that time, Hanuth, consistently delivered quality services and was a pleasure to work with.

I, Kristin Moreira, believe that Hanuth will contribute positively to their next professional endeavor. I am pleased to offer this recommendation on their behalf and would be happy to chat verbally.

Thank you for your time,

*Kristin Moreira*
