SUMMARY

I am Narendra, I'm a passionate visual storyteller and problem solver with a knack for design that connects. I present I am a full time graphics designer & ui/ux designer at Offset global technologies Pvt. Ltd. I have 4 year's experience Whether it's crafting a brand's identity with Photoshop and Illustrator, editing sleek videos in Premiere Pro or building user-friendly app, web page experiences in Figma, I thrive on creativity, clarity, and clean design. Canva Pro is my quick-go-to for fast, impactful visual content.
